We have developed an online IVF Consent video to help you understand the IVF process including both the benefits and risks associated with this treatment. It's important to understand the treatment of IVF before proceeding through your treatment or putting your name on the Funded IVF waiting list.

Please follow these instructions to view our IVF Consent Video:

1. Go to OFC's website: www.conceive.ca
2. Under the "Videos" menu (top right) click "IVF Education Program"
3. Use the password: OFCNurse2020
4. The first video is the WebIVF Consent Video
5. Please watch the entire video.

We want to make sure you understand the information we are sharing with you. There is a Quiz that you are required to complete, sign and send back to your Physician's office. The answers will be reviewed at the time of your in-person IVF Consent Signing appointment with your Physician. Please email your quiz answers to administration@conceive.ca prior to your IVF Consent appointment.

Please note if you are completing the IVF Consent video and quiz prior to putting your name on the Funded IVF Waiting list, you will need to email your completed Quiz to administration@conceive.ca before your name will be added to the waiting list.

We strongly recommend using Chrome web browser to watch the videos, if using a Mac computer please download the application Chrome. Videos might not play on Safari or Edge.

If you have any questions that you wish to discuss with your Physician, please contact their office to schedule a follow-up appointment.

We wish you all the success in the near future.
